

**Dr. A. S. N. Chakravarthy**

*Professor of Computer Science & Engineering  
University College of Engineering, JNTUK,  
Kakinada*

Dr. A. S. N. Chakravarthy is a distinguished academician and researcher in the field of Computer Science and Engineering, currently serving as Professor at University College of Engineering, JNTUK, Kakinada. With over two decades of academic and research experience, he has made significant contributions to teaching, research, and academic leadership.

He holds a Bachelor's degree in Computer Science & Engineering from Bangalore University, a Master's degree from JNTU Hyderabad, and a Ph.D. in Computer Science & Engineering from Acharya Nagarjuna University. He is also an Infosys and Wipro-trained faculty member, reflecting strong industry-academia integration.

Dr. Chakravarthy has an extensive research portfolio, having authored 8 books, 10 book chapters, and published over 135 research papers in reputed international journals and conferences. He holds multiple patents, including one granted patent, several published patents, and ongoing applications.

His research interests span critical areas such as cybersecurity, data security, digital forensics, cloud privacy, biometrics, Internet of Things (IoT) security, steganography, watermarking, and machine learning applications in security.

He has guided numerous doctoral scholars, with several PhDs successfully awarded under his supervision, and continues to mentor research scholars in advanced domains of computing and security.

Dr. Chakravarthy has been actively involved in international academic engagements, having participated in conferences, collaborations, and research activities across countries including the USA, Japan, Malaysia, Thailand, Nepal, and Somalia.

He is a member of several prestigious professional bodies such as IEEE, ACM, CSI, ISTE, and IEI, and has served as reviewer, editor, and editorial board member for multiple international journals. He has also contributed extensively to academic and policy ecosystems as a member of various national committees and advisory roles, including associations with CERT-In, UPSC, AICTE, and APSCHE.

Dr. Chakravarthy is a recipient of numerous national and international awards, including recognitions for excellence in teaching, research, and academic leadership. His contributions continue to strengthen the integration of technology, education, and research for societal and national development.
