

Shri Dharmishth Kumar Jain

Governance, Risk & Compliance Expert | Former Senior Leader, LIC of India

Dharmishth Kumar Jain is a seasoned professional with over 37 years of distinguished service in the BFSI sector with Life Insurance Corporation of India (LIC). Over the course of his career, he has demonstrated strong leadership in governance, regulatory compliance, risk oversight, and large-scale business operations, consistently aligning institutional objectives with regulatory expectations and stakeholder interests.

He has led extensive marketing and operational teams, managing a network of over 1000 personnel and contributing to annual new business premium generation of approximately ₹50 crore. His professional journey reflects a disciplined approach towards governance, compliance adherence, and operational excellence, while ensuring sustained business growth and customer-centric delivery.

Mr. Jain has also played a significant role in leadership development, serving as a Faculty Member and actively contributing to the training and mentoring of professionals. His approach integrates ethical business practices, structured learning, and capacity building, thereby strengthening organisational capabilities and fostering long-term value creation.

He is a registered Independent Director with the Independent Directors Databank (IDDB-NR-202512-085005) and holds certifications in Risk Governance & Leadership from the Indian Institute of Corporate Affairs, Data and AI from Snowflake, and is currently pursuing Digital Transformation and AI from IIM Indore. He has also completed the “Train the Trainers” programme from Management Development Centre, LIC Mumbai.

With deep expertise in governance, compliance, and risk management, Mr. Jain brings a structured, disciplined, and forward-looking perspective. He is well-positioned to contribute meaningfully at the policy and governance level, particularly in roles requiring integrity, institutional strengthening, and stakeholder-oriented decision-making aligned with national and societal priorities.
